SPECIAL NOTICES

Pets are permitted on cemetery grounds as long as they are on a leash and owners clean up after them.

If you are uncertain about something you wish to do, please contact your Family Service Advisor. We wish to avoid anything being removed and discarded that may have special meaning to you.

Cemetery decorations should be in good taste. Large decorations too many decorations, etc., can lend to others' discomfort and/or unsightly areas within the cemetery. Thousands of families are being served. While we wish we could allow everyone to do what they wish, the reality is, few would be happy if that were allowed.
